

TRAY SYSTEM

BREAKFAST OR SUPPER

HOSPITALA

Temperature safety, even over long transport distances

Insulating soup bowl set
(Max. fill volume, 235 ml)

Cooling cover for bowl
(116 x 116 mm)

Cooling cover for universal plate
(186 x 122 mm)

PRODUCT INFORMATION

Plate cover made of polypropylene

- extra thickness of material, making it exceptionally robust and long-lasting
- easy to remove thanks to the practical, conical handle
- with 6 stacking points around the edge, for optimum stacking, airing and drying
- colour: milky-transparent

Spill-proof insulating soup bowl set

- with extra thick insulated foam
- prevents the soup from spilling in the case of difficult transport conditions, even outdoors
- for porcelain soup bowls with a maximum fill level of 235 ml
- ideally suited for example, for hot mashed food, desserts or soups

Cooling cover with specially developed gel

Square cooling cover for bowl 116 x 116 mm

- ideal for keeping cold meals such as fruit salad, muesli, yoghurt, salads or desserts, etc. chilled

Rectangular cooling cover for universal plate 186 x 122 mm

- ideal for keeping cold meats and cheese, salads or antipasti, etc. chilled

Cooling cover with extra-high design, giving large cooling volume and usable height

- stacking points for easy drying after washing and for optimum deep-freezing
- polypropylene version with extra thickness of material, making it exceptionally robust and shatter-proof
- The cooling covers are dishwasher-safe, homogeneously welded and stackable to save space

HEAT RETENTION SYSTEM

WITH WAX BASE 24 CM (9 1/2 IN.) OR 26 CM (10 1/4 IN.)

HOSPITALA

Variomet-Wax

Insulating soup bowl set
(Max. fill volume, 235 ml)

Variomet-Wax cross-section
